Administrative Responsibilities:

Departmental

Admissions Coordinator

- Reviewed and qualified applications for the Doctor of Audiology program, ensuring all candidates met program requirements.
- Coordinated interview scheduling for applicants and faculty interviewers, managing complex calendars efficiently.
- Organized day-of interview logistics, including group assignments and schedules for interviewees and interviewers.
- Maintained acceptance and waitlist records, disseminating decision letters to applicants in a timely manner.

Events Coordinator

- Conceptualized and executed *Self Care Day*, initially for the Communication Disorders department, later adopted school-wide; coordinated speakers and event logistics.
- Coordinated *White Coat Ceremony*, including speaker selection, invitation creation, and integration with Foundation sponsorship.
- Led *National Speech-Language-Hearing Month* initiatives, coordinating with cochlear implant and hearing aid representatives to host school-wide events.

Clinical Supervisor Advisory Board Planner

- Participated in faculty conceptualization of board for improving student-preceptor relationships and clinical education outcomes.

Mentor Program Facilitator

- Developed and implemented a mentorship program connecting students with practicing audiologists
- Established protocols, matched participants, and monitored ongoing engagement.

Social Media Facilitator

- Created and managed department social media presence on Instagram and Facebook, generating approximately 30,000 monthly views.

Open House Coordinator

- Planned and executed Communication Disorders Open House, including advertising, compiling attendee materials, and managing events with ~90 participants.

Interdisciplinary/other program (center or program)

- **TEAM UP Course Instructor & Grader**
  Compete grading assignments for all enrolled students
  Maintain communication with CIPECP Director to ensure audiology students are

attending and completing assignments and are within good academic standing within the TEAM UP course
