CURRICULUM VITAE

ANNETTE HURLEY, PH.D., CCC-A
PROFESSOR
DEPARTMENT OF COMMUNICATION DISORDERS
SCHOOL OF ALLIED HEALTH PROFESSIONS
LSU HEALTH SCIENCES CENTER
1900 GRAVIER STREET
NEW ORLEANS, LA 70112
(504) 568-4337
AHURLE@LSUHSC.EDU

Education and Training

Louisiana State University, Ph.D., Communication Disorders, May 2004.
Doctoral dissertation: Behavioral and Electrophysiological Assessment of Children with a Specific Temporal Processing Disorder.

University of Southern Mississippi, Audiology, M.S. Degree, May 1990.

University of Southern Mississippi, Major Speech and Hearing Sciences, B.S. Degree, May 1988

East Central Junior College, A.A. Degree, May 1986.

Professional Experience/Employment History

9/26 – Present	Professor, Louisiana State University Health Sciences Center, New Orleans, Louisiana
7/24- 9/26	Professor, Head, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
9/18- 9/2026	Head, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
3/17 – 8/30/18	Interim Head, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
8/15- 9/2026	Audiology Program Director, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
1/23- 10/24	Speech-Language Pathology Program Director, Louisiana State University Health Sciences Center, New Orleans, Louisiana
7/13-7/2024	Associate Professor with Tenure, Department of Communication Disorders, Louisiana State University Health Sciences Center, New

	Orleans, Louisiana
1/08- 6/30/13	Assistant Professor, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
1/07- 12/07	Audiologist, A Chance To Grow, 1800 2nd Street, NE, Minneapolis, MN
9/06- 12/06	Audiologist, Algorithm Research, Starkey Labs, Eden Prairie, MN
7/05-8/06	Assistant Professor, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, Louisiana
12/02- 7/05	Instructor, Department of Communication Disorders, Louisiana State University Health Sciences Center, New Orleans, LA
8/99- 12/02	Instructor, Department of Special Education and Communication Sciences and Disorders, Southeastern Louisiana University, Hammond, LA
8/98- 8/99	Audiologist, Drs. Lousteau and Cecola, 120 N. Jefferson Davis Parkway New Orleans, LA 70119
5/90 - 7/99	Instructor, Department of Otolaryngology and Biocommunication, Louisiana State University Medical Center, New Orleans, LA 5/90 - 6/91 Charity Hospital 6/91 - 6/92 Louisiana Lions Clinic 6/92 - 10/97 Kresge Hearing Research Laboratory 10/97- 7/99 Gratis appointment
12/89 - 5/90	Audiology Trainee, Veterans Administration Medical Center, Biloxi, MS.
6/88 - 8/89	Audiology Technician, Hearing Instrument Specialist, Rush Medical Group, Meridian, MS.

Certification/Licensure

American Speech-Language-Hearing Association
Louisiana Audiology License

Professional Organizational Memberships:

American Speech Language Hearing Association
American Auditory Society
Educational Audiology Association

PRESENTATIONS

Invited Lectures

Hurley, A. (2026). Ethics 2026 Update: Issues in Audiology and SLP. A 1-hour CEU presentation for the Baton Rouge Area Speech-Language Pathologists. January 24. Baton Rouge, LA.

Hurley, A. (2025). Treatment of Auditory Processing Disorders to the Southeast Louisiana Veterans Healthcare System Polytrauma/PM&R Programs: VISN 16 Coordination Initiative August 5. 1-hour lecture

Hurley, A. (2025): Educational Audiology in Schools: Foundations, Complex Cases, and Practical Strategies. 5-hour continuing education presentation for Speech Pathologists and Audiologists in Louisiana Schools (SPALS) Conference. "Baton Rouge, LA

Hurley, A. (2024). Energizing the Next Generation: Engaging Students in Research. Council of Academic Programs in Communication Sciences and Disorders. April 5. New Orleans, LA.

Hurley, A., DiLollo, A. (2024). Critical Thinking and Counseling: Happy Together. A one-hour CAPSCD webinar presented September 26.

Hurley, A. (2022). The Campbell Conference. A 6-hour continuing education event for Speech Pathologists and Audiologists. Southeastern Louisiana University. February 18, 2022.

Hurley, A. (2021). Pediatric Grand Rounds. A 3 -hour oral presentation for Speech Pathologists and Audiologists in Louisiana Schools (SPALS) Conference, Lafayette, LA. (October 8, 2021).

Hurley, A. (2021). Central Auditory Processing Disorder Update. A 3 -hour oral presentation for Speech Pathologists and Audiologists in Louisiana Schools (SPALS) Conference, Lafayette, LA. (October 8, 2021).

Hurley, A. (2020). Behind the Curtain: Audiology Admissions. Oral Presentation presented to

the National Association of Advisors for Health Professions. Virtual presentation 10/8/20.

Hurley, A. (2019). Understanding APD: Information for the SLP. 2-hour presentation for Baton Rouge area SLPs (October 15, 2019).

Hurley, A. (2019) Central Auditory Processing Disorders. 3-hour oral presentation for Speech Pathologists and Audiologists in Louisiana Schools (SPALS) Conference, Lafayette, LA. (October 12, 2019).

Hurley, A. (2019) Hearing Loss in the Classroom. 3-hour oral presentation for Speech Pathologists and Audiologists in Louisiana Schools. (October 12, 2019).

Hurley, A. (2019). Hear In' the Big Easy. 1-hour platform presentation for the 43rd Annual Society of Head Neck Congress & Nursing Symposium. (September 14, 2019).

Hurley, A. (2019). Central Auditory Processing Disorders. 6-hour oral presentation for speech-language pathologists and early interventionists. Clinton MS. (August 27, 2019)

Hurley, A. (2019) Diagnosis and Management of Central Auditory Processing Disorders. Invited 2-hour oral presentation for Mississippi Speech-Language Hearing Association. (April, 2019)

Hurley, A. (2019). What is new in Electrophysiology? Invited 2-hour oral presentation for Mississippi Speech-Language Hearing Association. (April, 2019)

Hurley, A. (2019). Diagnosis, Treatment and Management of Auditory Processing Disorders. Invited 4-hour lecture series ASOAUDIO National Congress. (February 2019) Bogota, Colombia.

Hurley, A. (2018) Management of Central Auditory Processing Disorders. Invited oral presentation for ASHA Convention. Boston MA. (November 2018).

Hurley, A. (2018). Hidden Hearing Loss. Invited 2-hour oral presentation at Mississippi Speech-Language Hearing Association. (April 2018). Natchez, LA.

Hurley, A. (2018). Audiology Grand Rounds. Invited 2-hour oral presentation at Mississippi Speech-Language Hearing Association. (April 2018). Natchez, LA.

Hurley, A. (2014). Differential Diagnosis and Intervention of Central Auditory Processing Disorders. Invited Sig 8 Guest Speaker American Speech-Language Hearing Convention, Orlando, FL.

Hurley, A. (2012). Central Auditory Processing Disorders: From A (Assessment) to T (Treatment) (June 8, 2012). A three-hour workshop for Louisiana Speech and Hearing Association. Baton Rouge, LA

Hurley, A. (2012). Central Auditory Processing Disorder: from Diagnosis to Treatment. (June 2012). A workshop presented to Palm Beach County School District Speech-Language Pathologists and Audiologists. Palm Beach, FL.

Hurley, A. (2012.) Central Auditory Processing Disorders: From A (Assessment) to T (Treatment) (March 16, 2012). A 3- hour workshop for Speech and Hearing Association of Virginia. Annual Conference. Vienna, VA

Shinn J., Baran J., Hurley A. (2008). (Central) Auditory Processing Disorder: Adult Grand Rounds. ASHA, Chicago, IL.

Hood, L.J., Hurley, A., Leonard, L. & Berlin, C.I. (1996). Frequency characteristics of suppression of click-evoked otoacoustic emissions differ with binaural noise. ARO Abstracts of the Midwinter Research Meeting.

Hurley, A., Hood, L.J., & Berlin, C.I. (1995). Intensity effects on binaural suppression of linear click evoked otoacoustic emissions. ARO Abstracts of the Midwinter Research Meeting.

Berlin, C.I., Hood, L.J., Hurley, A., Kemp, D.T., & Wen, H. (1995). Binaural efferent suppression of linear click evoked otoacoustic emissions: single click vs. four click-train studies reveals an unexpected laterality effect of almost 10 dB. ARO Abstracts of the Midwinter Research Meeting.

Barham, W., Berlin, C.I., Hood, L.J., Hurley, A., & Wakefield, L. (1995). Gender and ear differences in binaural, contralateral, and ipsilateral efferent suppression of click-evoked otoacoustic emissions. ARO Abstracts of the Midwinter Research Meeting.

Hood, L.J., Berlin, C.I., Wakefield, L., & Hurley, A. (1995). Noise duration affects bilateral, ipsilateral, and contralateral suppression of transient-evoked otoacoustic emissions in humans. ARO Abstracts of the Midwinter Research Meeting.

Rigby, P.L., Hurley, A., Hurley, R.M., & Nuss, D.W. (1995). Auditory effects of a cholesterol cyst: Afferent and efferent test results. ARO Abstracts of the Midwinter Research Meeting.

Hurley, A., Hood, L.J., Berlin, C.I., Smith, T.W., & Bordelon, J.H. (1994). Wave V comparisons between conventional ABR and MLS in infants and adults. ARO Abstracts of the Midwinter Research Meeting.

Berlin, C.I., Hood, L.J., Hurley, A., Wen, H., & Kemp, D. (1994). Bilateral and ipsilateral forward masking and TEOAE suppression. ARO Abstracts of the Midwinter Research Meeting.

Hood, L.J., Berlin, C.I., Hurley, A., Cecola, R.P., & Bell, B. (1994). Intensity effects on contralateral suppression of linear click evoked otoacoustic emissions. ARO Abstracts of the Midwinter Research Meeting.

Hood, L.J., Hurley, A., Wen, H., Berlin, C.I., & Jackson, D.F. (1993). A new view of evoked otoacoustic emissions. ARO Abstracts of the Midwinter Research Meeting.

Wen, H., Berlin, C.I., Hood, L.J., Jackson, D.F., & Hurley, A.E. (1993). A program for quantification and analysis of transient evoked otoacoustic emissions. ARO Abstracts of the Midwinter Research Meeting.

Other Presentations with Students:
Ductote, S., Landry, A., Guidry, M. & Hurley, A. (2023) Comparison of Prescribed Hearing Aids to Over-the Counter Hearing Aids. Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

Abedi, M., Majoue, M., Lopez, L., & Hurley, A. (2022). Interprofessional Management of a Pediatric Patient with Vascular Compression of the Cochleovestibular Nerve. Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

Abedi, M., Majoue, M., & Hurley, A. (2022). The audiologist's role in determining cochlear function after gunshot injury to the temporal bone. Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

Jiles, R. & Hurley, A. (2019). Recovery from Auditory Neuropathy Spectrum Disorder (ANSD): A case Report. Poster Presentation at Louisiana Academy of Audiology. September 20, 2019.

Corneille, M.L., Bode, D.P, Mills, S., Carbo, & Hurley, A. (2018) Hearing Screenings in Head Start Centers and Elementary Schools. Poster Presentation at the 2018 LSUHSC Research Symposium.

Musso, A.L, Glaussier, C., Hurley, A. & Tsien, F. (2015). Autosomal Recessive Usher Syndrome and Autosomal Dominant Retinitis Pigmentosa in a Louisiana Acadian Family. Poster Presentation at the 2015 LSUHSC School of Allied Health Research Symposium.

Kettelhake, G. & Hurley (2014). A Review of Noise Sources and Methods of Hearing Protection Poster Presentation at the 2014 LSUHSC Research Symposium.

Cormier, D., Gonzalez, G., & Hurley, A. (2013). Analysis of Dichotic Digits Test. Platform presentation at LSUHSC School of Allied Health Research Symposium.

Kettlehake, G., & Hurley, A. (2013). Music-Induced Hearing Loss in Children: A Review. Poster Presentation at LSUHSC School of Allied Health Research Symposium.

Poynot, M., & Hurley, A. (2013). The Lombard effect in children with autism spectrum disorder. Poster Presentation at LSUHSC School of Allied Health Research Symposium.

Denman, I., Banajee, M., & Hurley, A. (2012). The effect of dichotic auditory training on language and auditory processing children with autism spectrum disorders. Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

Arriaga, E., Hurley, A., & Berlin, C. (2012). Decibels: What is the legal limit in the French Quarter? Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

O'Neal, M., Hurley, A., & Giles, A. (2012). The correlation between electrophysiological and behavioral testing in children receiving ototoxic medications. Poster Presentation at the LSU School of Allied Health Professions Research Symposium.

Bhatt, S., Collins, A., Davis, DB., & Hurley, A. (2011). Effect of Contralateral Noise on the Late Auditory Evoked Potential in Children Who are "At-Risk" for (Central) Auditory Processing Disorder. Oral Presentation at LSUHSC Research Symposium.

Dowell, A., & Milligan, B. & Hurley, A. (2011) Wii-habilitation for (Central) Auditory Processing Disorder [C)APD]. Poster Presentation at LSUHSC Research Symposium.

Jones, S., Burkenstock, A., Schexnayder, T. & Hurley, A. (2011). Educational Audiologists: How Does Louisiana Compare? Poster Presentation at LSUHSC Research Symposium.

Troyer, A., & Hurley, A. (2011). Behavioral and Electrophysiological Central Auditory Processing Test Results after Left Hemispherectomy. Poster Presentation at LSUHSC Research Symposium.

Wilbanks, E. & Hurley, A. (2011). Specific Site of Lesion Testing For Auditory Neuropathy/ Dys-Synchrony: A Case Report Poster Presentation at LSUHSC Research Symposium.

Gautreaux, D., McKenzie, A., Waller, A., Benedic M., Ringe, M., & Hurley, A. (2010) Interaural Comparisons of Left and Right Speech and Click ABRs in Children at Risk for a Central

Auditory Processing Disorder. Oral Platform Presentation at LSU Health Sciences Center Research Symposium.

Hurley, A., Davis, B.D., Pancamo, S., & Willis, M. (2010). Constraint Induced Auditory Therapy (CIAT): Remediation for Acquired Central Auditory Processing Disorder. Oral Platform Presentation at LSU Health Sciences Center Research Symposium.

Perkins, G., Hallner, J., Hurley, A., Willis, M., & Rubin, S. (2010). Primary Progressive Aphasia: A Case Study describing auditory and language deficits. Poster Presentation at LSU Health Sciences Center Research Symposium.
Kellerhals, B., Lagarde, P., Hurley, a., & Willis, M. (2009). Traditional Speech-Language Therapy with the Addition of Dichotic Listening Training in Persons with Aphasia. Poster Presented at LSUHSC Allied Health Research Day.

Gaudin, K., Davis, B., Nicholls, T., & Hurley, A. (2009). Comprehensive Aural Rehabilitation Program for an Adult Patient with Hearing Impairment and Central Auditory Processing Deficits. Poster Presented at LSUHSC Allied Health Research Day.

Benedict, M., Ringe, M., & Hurley, A. (2009). Electrophysiological Changes in the BioMARK Recording after Auditory Training: Examining Neural Plasticity in the Auditory System. Poster Presented at LSUHSC Allied Health Research Day.

Ringe, M. Benedic, M., & Hurley, A. (2009). Hemisphere Specialization for Speech: Early Brainstem Recordings. Poster Presented at LSUHSC Allied Health Research Day.

Davis, B.D., Vermeeren, K., Arms, A., & Hurley, A. (2009). Developing Appropriate Auditory Training Programs. Poster Presented at LSUHSC Allied Health Research Day.

Hurley, A. (2007). Auditory Therapies. Lecture presented at the May Day Group. Colloquium XIX. June, 2007, University of Minnesota Medical Center, Minneapolis, MN.

Continuing Education Developed and presented on Behalf of LEBESPA (Louisiana Board of Examiners in Speech-Language Pathology and Audiology

Hurley, A. (2019)-2023) **Ethics** 1-hour lecture presented at
- St. John Parish Schools (August 5, 2019)
- Louisiana Academy of Audiology (September 20, 2019)
- SPALS (October 11, 2019)
- Calasieu Parish School Board, (December 13, 2019)
- North Oaks Hospital (January 23, 2020)
- Baton Rouge Audiology and Speech-Language Pathology Group (January 28, 2023)
- Jefferson Parish School Board Speech-Language Pathology Professional Development August 2, 2023)

Hurley, A. (2019-2023) **Supervision.** A 1-hour lecture presented at

North Oaks Hospital (August 7, 2019)
Calasieu Parish School Board, (December 13, 2019)

Hurley, A. (2021- 2023) **Licensure vs Certification**. A 1-hour lecture presented at
LSU Health Sciences Center (2019- 2023)
University of Lafayette (February 3, 2023)

Grants and Contracts Funded:
Hurley, A. (2026-2029). A Family Navigation Approach to Supporting Early Hearing Detection and Intervention. Oberkotter Foundation. Total Funding $277,182.00

Divens, L. (2017-2018) Health Resources and Services Administration (HRSA) Advanced Nursing Education Workforce (ANEW) Grant #T9HP30895 *Changing Tides for Nurse Practitioners: Bridging the Gap from Education to Practice through Academic Practice Partnerships* July 1, 2017, through June 30, 2019 Total Funding Amount $1,384,070 (Hurley: 10% effort)

Hurley, A. (2005). Plasticity of the CANS after Fast ForWord Training. LSUHSC School of Allied Health Career Development Grant. $5000 (Funded).
Hurley, A. (2004). Auditory Event-Related Brain Maps in Children with APD. LSUHSC School of Allied Health Career Development Grant. $5000 (Funded).

Hurley, A. (2002). Establishing exposure risk for noise and organic solvents among farmers. Southwest Center for Agricultural Health, Injury Prevention, and Education, University of Texas, Tyler. $10,000 (Funded).

Hurley, A. (2002). Early Electrophysiologic recordings in children with CAPD, American Academy of Audiology, Student Investigator Research Award, $1323.00 (Funded).

Hurley, A. & Stiegler, L. (2001-2002) Supplements and the "Field" of CSD, Southeastern Louisiana University Center for Faculty Excellence. $993.40 (Funded).

IV TEACHING

Current Courses Taught:
Louisiana State University Health Sciences Center
Auditory Brainstem Response 2017-present
Central Auditory Processing Disorder, Fall, 2007- present.
Psychoacoustics, Fall, 2005- 2013
Speech Science (Spring, 2014- 2016)
Advanced Diagnosis in Audiology, Spring, 2003- 2014, 2021
Advanced Electrophysiology. Fall, 2004 – 2016 ; 2023- present
Issues in Communication Disorders Spring- 2004- present; guest lecture as needed.
Pediatrics, Spring 2015- 2022
Principles of Managing the Pediatric Hearing-Impaired Fall, 2015- 2021

Pediatric Aural Rehabilitation Fall 2022
Independent Study Praxis Review Summer, 2016
Geriatric Audiology, Biannual course taught Summer 2016- present
Adult Aural Rehab, Summer 2017. 2023
Practice Management, Summer 2022- present
Research in Communication Disorders 2024- present
Audiology Essentials for Speech-Language Pathologists 2026

Faculty Member for LA Leadership Education in Neurodevelopmental and Related Disabilities (LEND) Fall 2015-2017

Previous Course Taught

Louisiana State University Health Sciences Center
Educational Audiology, Summer, 2006

Southeastern Louisiana University
Introduction to Audiology, Fall, 1999-2002.
Acoustics, Fall 1999- 2002
Advanced Hearing Testing. Fall 1999-2002
Aural Rehabilitation. Spring, 2000-2002

LSU- Baton Rouge
Diagnostic Audiology, Fall 1997, Fall 1998
Hearing Aids, January-March 1998

Kresge Hearing Research Laboratory of the South, Louisiana State University Medical Center
A Practical Short Course in Auditory Brainstem Response and Otoacoustic Emissions Faculty Participant, 1990 - 1998.

Advanced Course in Auditory Brainstem Response and Otoacoustic Emissions, Faculty Participant, 1990 - 1998.

A Practical Short Course in Real Ear Measurement and Hearing Aid Selection, Faculty Participant, 1990 - 1998.

Identification and Management of Hearing-Impaired Infants and Children: ABR, Otoacoustic Emissions, and Computer Assisted Behavioral Testing, Faculty Participant, 1990 - 1998.

Neuroscience Laboratory (Audiology and ABR section for medical and dental students, approximately six hours per semester) Faculty Participant, 1990 - 1998.

Audiology Resident's Forum, Faculty Participant, 1990-1998.

Thesis and Dissertation Projects

Picciotti, E. (2022- present) Auditory training for aging population: An investigation of central and cognitive markers. (Tulane University, Center for Aging). Committee member.

Umrigar, Ayesha (December 2019). Investigation of Usher syndrome 1C in Louisiana Acadian families. Department of Genetics. Committee Member.

Frost, T.C. (May 2019) Initial steps in the development of the situational communication comfort scale for aphasia (SCCS-A). Committee Member.

Denman, I. The effect of language and auditory therapy on electrophysiological recordings of children with autism. Department of Communication Disorders, January, 2013), Committee Member.

Homer, M. Linguistic Effects in ON/OFF States of Electrical Stimulation of the Associative Subthalamic Nucleus in Patients with Parkinson's disease. Department of Communication Disorders, (December 2010), Committee Member.

Other Student Projects:

Mentor: Students Preparing for Academic Research Careers: ASHA
Bradley Davis, 2004
Rachel Anderson, 2008 (Awarded, not accepted; student left LSUHSC)
Shrutee Bhatt, 2011
Amanda Musso, 2014

V. SERVICE

Professional Organization Service

American Academy of Audiology
Member Exhibitor Course Program Committee (2004)
Member Learner Module Program Committee (2005)

American Speech-Language Hearing Association
Board of Ethics Member (January 2020-July 2022)
Program committee for annual convention (2011, 2012, 2018, 2019, 2020, 2021)
Peer reviewer for four ASHA teleconference courses (March 2007; July 2008).
Peer reviewer for ASHA Student Travel Research Award (July 2008; July 2009; July 2010, July 2012).
Reviewer for Hearing Research Travel Award: (2012)
Reviewer for Students Preparing for Academic Research Careers (SPARC) (2012)
Reviewer for Advancing Academic Research Careers (2012)
Elected Louisiana Audiology State Advocate 3-year term (2018-2021)

Council for Academic Accreditation; 4 year elected term (2014-2017 & 2024-2027)
Chair (2017)

Standards Committee Chair (2017)
Faculty Member for Site Visitor Training (2016, 2017)
Executive Council (2016-present; Chair- Elect, 2016)
Candidacy Sub-Committee Member (2014- 2015)
Site Visitor (2011-2012) (2018- 2026)
Nominating Committee (2017-2018)
Site Visitor Education Committee 2024; Chair 2026
Vice Chair for Audiology 2026
Chair-Elect- 2027

Audiology Education Task Force
Chair: (2017-2018) Guidelines for AuD Clinical Training Sites

Council for Academic Programs in Communication Sciences and Disorders
CSDCAS Resource Committee Member (2019-2021)
2026 Reviewer for Conference Papers and Posters submission
2026 Reviewer for Leadership Academy participants
2027 Convention Planning Committee

Education Audiology Association
Peer reviewer for Noel Matkin Research Grant (2009- 2012)
Peer reviewer for EAA Scholarship (August 2009; 2010, 2011, & 2012).
CEU coordinator (June 2010- July 2012)
CEU Consultant (July, 2012-202-)
Professional Development Chair: Organized Summer Meeting, Las Vegas, Nevada (June 2010- 2016)
Grants and Research Committee (2014-2016)

Global Perspectives on Central Auditory Processing Disorders
Program Committee Member (organization and review submissions) (2012)

Louisiana Academy of Audiology (2013- 2017)
Charter Member, Louisiana Academy of Audiology
Secretary, 2013-2014; Helped in organizing LAA conferences September 2014, September 2015.
Coordinate ASHA and AAA CEUs for the event- 2013, 2014.

Louisiana Board of Examiners for Speech-Language Pathology and Audiology (2 terms)
Board Member: Appointed September 22, 2017, and September 22, 2020
Elected Chair January 2022, January 2023

Reviewer

Ear and Hearing
Reviewer 2012
International Journal of Audiology
Reviewer 2012

Educational Audiology Association
Reviewer 2013
Plural Publishing Company: Communication Disorders in Adolescents
Book Chapter: 2014
American Journal of Audiology
Reviewer 2016, 2021, 2023, 2024
Editorial Board Member 2024, 2025, and 2026
International Journal of Audiology
Reviewer 2016, 2017
Journal of the American Academy of Audiology
Reviewer 2016, 2017, 2018, 2020
Folia Phoniatrica et Logpaedica
Reviewer 2019, 2022, 2023

Academic Service

University

IRB Committee Member (2010-2026t)
IRB Alternate Member (2026- present)
Academic Performance Resources in LSUHSC (2015- 2018)

School

Grand Rounds Committee: Member (2003)
Research Committee Member (2009- present) (Chair 2013- 2014) Co Chair 2021, 2022
Course Evaluation Committee Member (2010-2011)
Academic Affairs (2015-9/2026)
Promotion and Tenure (2016- present)
Executive Council (2017- present)
Faculty Practice Committee (2016-2021)
Faculty Professional Development Committee (2022- present)
Promotion and Remediation (ad hoc Committee (2022)
Faculty Handbook Committee (ad hoc Committee 2023)
Department of Counselling Department Head Search (2022)
Department of Physical Therapy Department Head Search Chair (2022-2023)
Department of Physicians Assistant Department Head Search (2023)
Department of Occupational Therapy Department Head Search (2023)
Department Chair Manual (2025)

Communication Disorders Department

Clinic Committee: Member (2003- present)
Audiology Admissions: (Member 2003- present; Chair- 2015- 2022).

Honors and Awards

AAA Education Award (1997)
ASHA Award for Continuing Education (ACE) 15-time award winner (1997, 2003, 2006, 2008,

2011, 2013, 2016, ,2018, 2019, 2022, 2023, 2024, 2026)
ASHA Travel Grant Fellow (May 2001)
AAA Student Investigator Research Award (April 2002)
LAA Service Award to Charter members and Secretary (2013-2015)
Selected to attend the 2017 Leadership Academy presented by the Council for Academic Programs in Communication Sciences and Disorders (CAPSCD)
Louisiana State University School of Allied Health Outstanding Institution Service Award 2022
LBESPA Service Award 2025, 2023

Media

Interviewed aired 8/20/2019 for radio station WWL (New Orleans) Hearing loss in relationship to dementia.
Interviewed/Quoted in ASHA Leader article: Dangerous Decibels: AHSA LEADER May 2020.

Revised: October 2026
