SGA meeting 5/2/2022

In attendance (students): Haley Alvarado – CPS, Elise DeGruise – SLP, Kaitlyn Fagan – PA, Paul Gendron – CPS, Samantha Messina – OT, and Pooja Shah – PT.
Dr. Erin Dugan – Interim Dean, Joe Lassalle – Assistant Dean, and Yudi Cazanas – Director Student Affairs

The minutes from the 11/21 meeting were approved.

Mr. Lassalle went over what was purchased with the technology fee.

- 82K of the budget was used to update the testing center
- CLS was able to get a new glass board for their classroom

The student are interested in having the Soiree again. Yudi will call "The Chicory" to find out what their availability is for the Fall 2022 or Spring 2023.

The Job Fair was discussed and students said having a Zoom option would be very helpful for those students who are not able to attend. The idea was very well liked by everyone and we plan to do this. The job fair will hopefully take place in the Spring 2023 instead of the Fall semester as in the past due to students graduating in the Spring time.

Samantha discussed how the School of Public Health held a town hall meeting for their student and the SGA said they would like to have this as well. We will look into having this for the Allied Health students in the future.

A few departments participated in the "Zoo to Do" and we would like to add all department for the future.
