    a. Review By-Laws
    – student body rep (non-voting member) to be recruited. One person from each cohort in each department preferred.
    - Suggestion from Yudi: find a representative from the remaining departments
    - Absent from meeting – let someone on the board know
    - Roles reviewed for each position
        - President: vision
        - Vice president: act as aid to present
        - Secretary: record minutes, take role, maintain the website
        - Treasurer: monthly financial reconciliation with SGA faculty
        - Social chair: help plan and coordinate social events, take pictures, make graphics
        - SGA ambassador rep: liaison to student ambassadors

Other ideas:

- Idea of Student body meeting (on campus or on a night out)
- Idea from student activities faculty member: become more aggressive with action on campus, become more organized, and allow a voice for students and leadership, become involved in wellness today and create social after

event, create pickleball tournament, student survey to get a cookie (could come to student classes to spread information), give access to shared calendar for SGA students.
    - Plan for pickleball tournament in fall semester
        - Lauren planning to reach out to city park for prices (6 courts)
    - Wellness Day: SGA planned event after lunch (kickball or volleyball tournament in field on campus)
- Idea from Savannah: hold monthly meetings, incentivize students with food
