TurnItin assignment submission procedure in Moodle

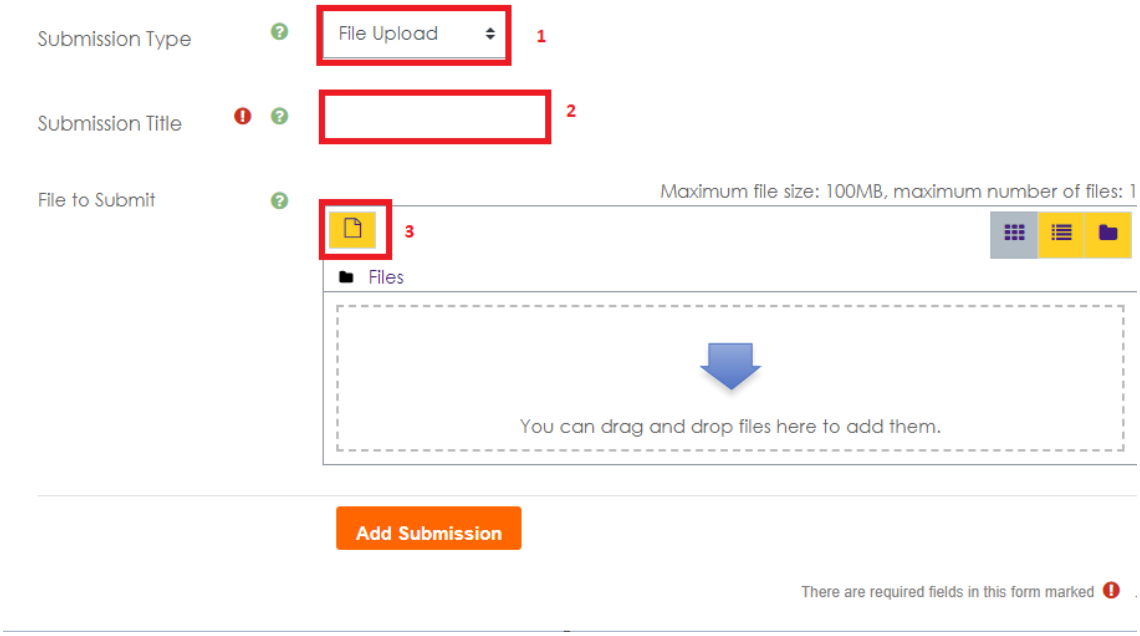

1. Before submitting an assignment, please make sure:
    - Save all your work.
    - Combine multiple Word documents into a single Word document if necessary. TurnItIn assignment only allows one document to be submitted per part.
2. Log into Moodle and select the assignment inside your Moodle course.

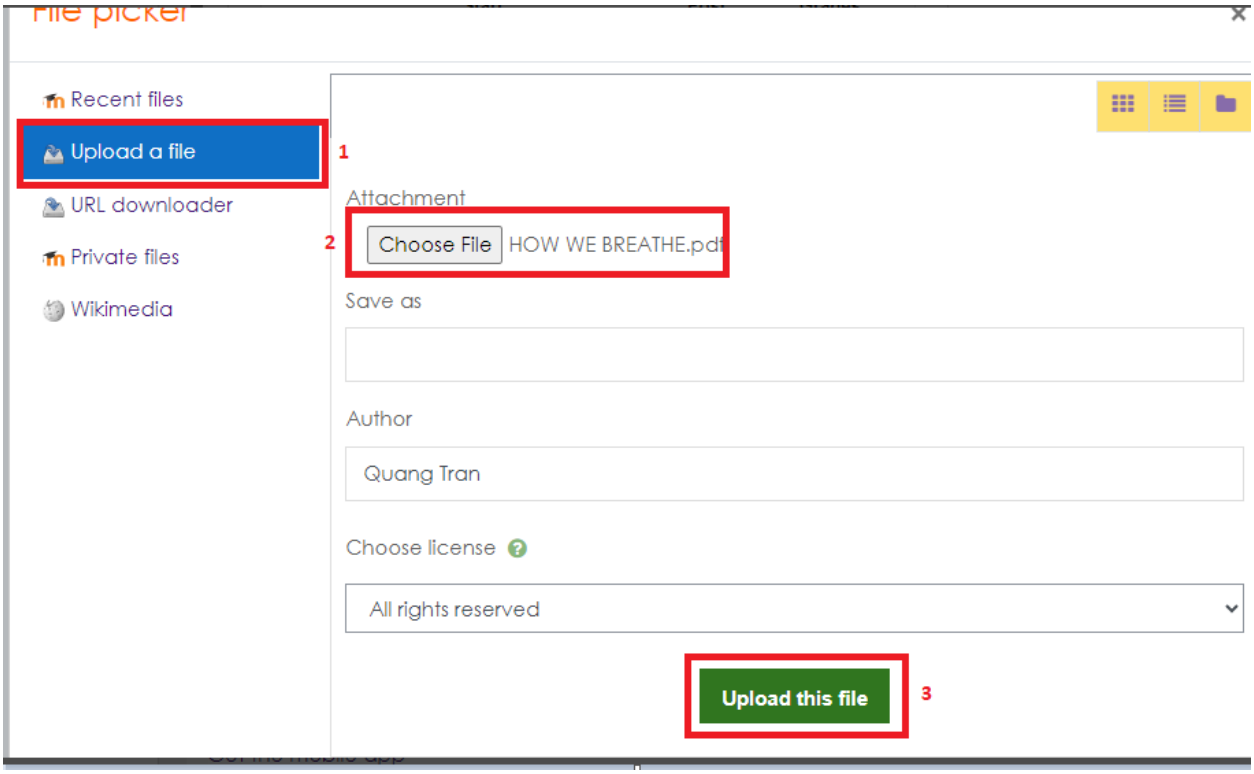

3. At the My Submissions page, select Submit Paper.

4. At the file upload page
    - Select “File Upload” for Submission Type (1)
    - Enter the file name for Submission Title (2)
    - Click the file icon (3)

5. At the file picker page
    - Select upload a file (1)
    - Select Choose File (2), select the completed assignment that has been saved on your computer and wait for it to finish uploading.
    - Click Upload this file (3)

Please contact the instructor if there is any issues submitting the assignment.
