LOUISIANA RESIDENCE REGULATIONS

A resident student for tuition purposes is defined as one who has abandoned all prior domiciles and has been domiciled in the State of Louisiana continuously for at least one full year (365 days) immediately preceding the first day of classes of the term for which resident classification is sought. A NONRESIDENT student for tuition purposes is a student NOT eligible for classification as a resident student under these regulations.

The individual's physical presence within this state for one year must be associated with substantial evidence that such presence was with the intent to maintain a LOUISIANA domicile. Physical presence within the state solely for educational purposes without substantial evidence of the intent to remain in LOUISIANA will not be sufficient for RESIDENT CLASSIFICATION regardless of the length of time within the state.

Any questions or a residency application must be directed to:
